A Home & Companion Care Service
Enriching Lives with Compassion & Quality Care

About Us

Here at **A Treasured Living**, we redefine the concept of home care with a focus on compassion, respect, and personalization.

A Treasured Living is committed to improving the quality of life for our clients by promoting independence, healing, and comfort through outstanding home and companion care services.

Our goal is to offer excellent and affordable home care to individuals and their families in the Maryland area.

Let us join *your* journey helping to navigate the challenges and celebrate the *victories* along the way.

Our Mission

Our mission is to enhance the quality of life for each individual we serve, ensuring comfort and independence within their own homes.

With our experienced team and client-centered approach, we strive to transform everyday care into a harmonious blend of professional support and friendship.

We also employ well trained and highly qualified individuals who are responsive to the needs of our clients, their families and the communities we serve. Each staff member meets the State of Maryland educational and training requirements for the services they provide. To ensure excellence in the delivery of home care services we require ongoing continuing education for our service providers.

We offer competitive compensation, an inviting work environment and knowledgeable trustworthy management and direction.
