When you or a loved one are returning home after a medical procedure or hospitalization, what happens next can make a big difference in recovery and avoiding readmission. BrightStar[®] Home Care offers transportation and in-home care services to support the follow-up care you need for a healthy recovery.

A BrightStar Home Care Registered Nurse Is On Your Side

Our nurse will coordinate with your Medicare certified home health agency or any other provider's discharge team to create the right plan of care for the days or weeks ahead. He or she will supervise our caregivers to ensure the plan is followed and can update your health care team on progress or any change in condition.

Supervised Transportation for Your Comfort and Peace of Mind

We'll transport you or your loved one safely and comfortably from hospital to home, stopping at your pharmacy if needed. We also can schedule and arrange transportation to and from follow-up appointments.

Whether you need 24/7 care or just a few hours a week, we're always here to help.

Examples of skilled nursing care:

- Medication setup and administration
- Wound care
- G-Tube feedings
- Infusion therapy
- Tracheostomy and ventilator care

Examples of personal or companion care:

- Getting settled at home
- Medication reminders
- Help with bathing, dressing and grooming
- Light housekeeping, grocery shopping and meal prep
